Here's a Remarkable New Health Insurance Plan For People 65 and Over – NO MEDICAL EXAM Required

Now for the first time, a Plan exclusively for Massachusetts residents who are 65 and over is offered *at low cost*, providing health insurance in amounts they have often needed *most*, yet have usually found most difficult to secure! The Plan is appropriately called "Mass 65."

Mass 65 offers major medical health protection . . . insurance which helps pay the really *big* bills that result from serious accident or prolonged illness. Such bills often run into thousands of dollars, and represent expenses *above and beyond* the limits normally covered by basic hospital-surgical insurance plans.

Much has been written and said about the critical need of people 65 and over for assistance in meeting the cost of medical care. The Mass 65 Plan was designed to help answer the needs of older people and to lessen the concern of their sons and daughters regarding the cost of medical care for their parents. This unique Plan furnishes important hospital and medical benefits up to a maximum of $10,000 over your lifetime. It provides benefits for expenses incurred at home, in a doctor's office, in a hospital, and even in a convalescent home, if necessary, following hospital confinement.

✱ PEOPLE WHO ARE 64 HAVE ONE MONTH TO ENROLL AFTER THEIR 65th BIRTHDAY

✱ The husband or wife of an applicant may also join Mass 65, if 50 years of age and over and not employed 30 hours or more per week.

CASE DEFEATS OLD ROCHESTER

Old Rochester Regional High's Bulldogs demonstrated a future potential as they piled up first downs in the first game of the season. However, Case High of Swansea took the opener as their determined team was able to move the ball and stop the Bulldog threats. The first drive of the Old Rochester team was stopped by a timely interception by Bruce Christopher of Case who ran the ball back to the Rochester 37. Neither team could maintain possession long and the ball was exchanged on punts. Near the end of the first quarter Case scored on a pitch out from Santos to L'Heureux. Christopher added the 2 points as he dove over the line. Both teams then took turns trying to grind out yardage on the ground. The Rochester team using brute power plays through center then moved the ball to inside the foot mark at the Cardinals goal line. On this series it was Knight to Gray who battered his way down the field. The determined Case team called a time out to gather their forces. They welded their defense into an iron curtain which would not

be penetrated. Case punted when the Bulldogs lost the ball on downs.

The half began with a 30-yard drive by Case which ended on the Rochester 13 after which a seesaw ground game produced little scoring threat until the last five minutes. Again Gray was the battering ram as Old Rochester hammered him forward through the middle. Briggs and Garcia were the alternates as the Bulldogs bulled forward for 37 yards to the Case 6-yard line. They lost the ball on downs as again the Case defense held.

Case team holds at goal to spoil Rochester try from 6" out.

Andrews and Mello teamed to catch the Case ball carrier on their own 3. On the next

play the ball carrier was tackled behind the goal line for a safety. The score of 8 to 2 in favor of Case was to be the final, although Rochester again mounted a drive which took them 60 yards to the Case 20 as the gun sounded.

WOMAN'S CLUB HEAR TALK ON ROSES

Mrs. Fred Church presided at the first meeting of the 1962-63 season of the Rochester Woman's Club. Members of the club received their yearbooks and look forward to a variety of programs and activities that should prove popular with club members.

The speaker at the September meeting was Mr. Raymond Bergeron of "Roseland Nurseries" of Acushnet. He spoke on the care and selection of roses. He suggested that one choose the kind of roses best for you and the amount of time you have to devote to them. There are many hardy types of roses for people who have little time to fuss with them. Beautiful colored slides of roses were shown by Mr. Bergeron and questions from the audience were answered.

Mrs. Charles Dean, first district director, will be guest of the club at the October meeting. Mrs. Dean will bring news of state and district activities of interest to members. Mmes. Albert Hellyer, Roger Wood, Robert Felton and Abraham Jackson will be hostesses for this occasion.

sent a program on native stone jewelry at the February meeting. The March meeting will be an open meeting with program to be announced. At the April meeting Grace Jerauld, R.N., of Taunton State Hospital, will speak. The annual dinner meeting is set for May 1.

On June 5 there will be clean-up day and afternoon meeting. The annual bazaar and supper will be held on June 20. The annual auction will be held on August 19.

At the business meeting Mrs. Timothy O'Brien, chairman of the Raymond C. Hartley Scholarship fund, reported that sales of the community birthday calendar were going well. Three scholarships were awarded in June to graduates of the Old Rochester Regional High School. Rochester students who benefitted were the Misses Constance Hardy, Barbara Hebert and Geraldine Lawrence.

Mrs. Everett Hardy and Mrs. George Church reported on the fine success of the annual auction held in August with Mrs. Marjorie Morris as auctioneer. Mrs. Church noted that an excellent turn out of members attended the pot luck supper and grounds clean-up night held in August. Much larger parking facilities are now available to the right of the club house.

It was voted to purchase a new 50-star flag for the club house. A lovely fall floral arrangement was used on the refreshment table. Hostesses, Mmes. Alphonse Raymond, Henry Hartley and Timothy O'Brien, served dainty squares and coffee.
